**DANCE CUP
2017**

LEADERS DAY

GENERAL ASSEMBLY x TEAM BUILDING x LEADERSHIP TRAINING

January 28, 2017 | Saturday | 8:00 AM to 2:00 PM
Venue to be announced

Philippine Dance Cup is not your ordinary competition as we mentioned before. We dare to be different in everything we do. We dare to do what others have not yet done. And we dare to give more than what you expected.

This coming January 28, 2017, we invite you to attend the **LEADERS DAY**. It's an exclusive half-day activity for every leader of participating crews of Philippine Dance Cup.

GENERAL ASSEMBLY

A competition is not a competition without this activity. Everything about Philippine Dance Cup will be discussed here. Mechanics, rules, program, activities, workshops, scholarships, livelihood, purchasing of merchandise, and draw lots are some topics to talk over.

TEAM-BUILDING

What is a dance community without you guys not knowing each other? We have prepared team-building activities for everyone to break the ice. All of you will come from different cities and provinces. Isn't it nice if you will get to know each other at least? Fun group activities and games will be set to better increase the camaraderie of each participating crew.

LEADERSHIP TRAINING

"You cannot give what you don't have"

Sometimes we are already drained in leading our crews. Sometimes we just wanted to quit. We wanted to give up. We wanted for someone to release our stress and challenges in our crew. Yes. We feel that. And it's not bad. It's very common. What we need is someone who can teach us to handle the situation. What we need is to learn some techniques and skills in leadership. What we need is someone who will refresh and empower us emotionally, intellectually and spiritually.

We have invited an expert in leadership to give us a breath of fresh air and renew our mindset so we can be an effective and efficient leader. After this training, you can now go back to your crew and ready to take them to your dreams.

Are you ready? Surprises and freebies await our attendees! Register now for **FREE!**

"Leadership is not about a title or a designation. It's about impact, influence and inspiration. Impact involves getting results, influence is about spreading the passion you have for your work, and you have to inspire team mates." – Robin S. Sharma
